Summary: Beginning May 16, 2013, $10 Super Satellite contests will be held each week through July that will qualify players for a $140 entry fee to a Horse Player World Series Satellite Contest on July 27.

Players will be allowed to play in a $10 Super Satellite contest each Thursday, Friday, and/or Saturday with the highest individual score from each three-day contest period determining the winner. Players may choose to play one of three selected tracks (eight races at each track) each Thursday, Friday, and/or Saturday. Each entry is $10, but players may participate only once per day and each day must pay a $10 entry fee if they choose to play.

Each week, one winner for every 14 entries will receive a $140 entry to the Horse Player World Series Satellite. The Super Satellite contest format requires entrants to select one horse in each of the eight contest races and submit the selections before entry deadline. Points will be awarded for selections based on the official mutuel payoffs based on a mythical $20 across-the-board wager. One entry per person per day. Entrants must be 21 years of age or older.

The highest score from each three day contest period will determine the winner. For example, Player A may have the highest score of 800 on Thursday of the contest period but would not beat Player B who scores 900 points on the Saturday of the same contest period.

Scores will not be posted until the end of the contest period.

Duration: The three-day contest periods will begin on May 16, May 23, May 30, June 6, June 13, June 20, June 27, July 4, July 11, July 18.

Entry: Official entry forms will be available at the third level Information Center each contest day. Entrants must complete the entry form and submit it along with the $10 fee prior to the entry deadline.

How to Play: Each contest day, players can choose one of three selected tracks to play. Each contest track will have eight contest races. Each entry form will list the tracks and contain the contest races from the tracks. Players pick one track and then one horse in each race. Players will be awarded the amount of points that equals the total dollar amount of the official mutuel return on their selections based on a mythical $20 across-the-board wager. No changes will be allowed once entries have been submitted.

Awarding Points: Points will be awarded based on the official outcome of the race card at the contest track. Players will be awarded the amount of points that equals the total dollar amount of the official mutuel return on their selections based on a mythical $20 across-the-board wager. For example: If a player's selection finishes first and the official mutuel results are as follows: $6.00 to win; $4.00 to place; $2.40 to show, the player will receive 124 points. If a player's selection finishes second and returns $15.00 to place; and $8.80 to show, the player would receive 238 points.

The maximum point payoffs per race for win, place, and show will be capped in the following manner. **The maximum points possible for win will be 600 points, for place 400 points; and for show 200 points.**

The contest winner will be the player accumulating the most points in an individual contest over the three-day contest period.

Results: Official results are based on the official payouts.

Prize Structure: The contest winner will receive a Horse Player World Series Satellite Contest entry for July 27. One player for each 14 entries will receive a $140 entry.

Extra entry fees from each period will be divided with 60% being paid to the player with the second highest score each period; 40% will be aggregated over the entire contest span and will be paid as a bonus to the player that scores the highest individual contest score over the entire contest span. For example, with 16 entries there will be one winner receiving a $140 entry; $12 will be paid to the second highest scorer and $8 will be added to the bonus pool. Thirty entries would results in two $140 entry winners with $12 going to the third highest scorer and $8 to the bonus pool etc.
