# **Canterbury Park Holding Corporation**

## **Terms and Conditions**

**The undersigned, individually and on behalf of each owner of the horses listed on the front page of this document, and in order to induce Canterbury Park (CPHC) to accept this Agreement and to grant Applicant use of stall space and facilities, hereby warrants, covenants and agrees with CPHC as follows:**

1. Applicant is the owner, or is authorized to act for and on behalf of each owner, of the horses. Applicant shall comply with and fulfill all conditions necessary for Applicant to apply for and be allotted stall space and the use of CPHC facilities, including but not limited to the grandstand, clubhouse, administrative offices, parking areas, backside, barns, stalls, racing surfaces and other portions of the grounds.
2. This agreement is a revocable license issued by CPHC to Applicant. CPHC specifically reserves the right (a) to revoke this license, with or without cause, and/or (b) to refuse Applicant entry in any race for any reason or cause without prior notice to Applicant.
3. Applicant shall abide by all rules and regulations of the MN Racing Commission (MRC) and CPHC, including, but not limited to, all provisions of this agreement. Applicant shall abide by all decisions of MRC, Stewards and/or CPHC with regard to disputes, claims and objections on all matters pertaining to racing and this Agreement, and Applicant shall accept such decisions as final.
4. Smoking and cooking are prohibited in all barn and stall areas. The use of any appliance with an exposed heating element is also prohibited in the dorm rooms.
5. Applicant and each of his/her employees, exercise riders and jockey's shall be duly licensed by the MRC and shall wear on their person at all times while on the premises a valid picture license issued by the MRC.
6. Owners, trainers and stable help shall park only in those areas designated by CPHC. Violators are subject to the revocation of driving privileges on the premises.
7. Horses may occupy only those stalls assigned to Applicant. Any horse found in an unassigned stall or in a stall assigned to another owner or trainer will be removed from the premises at Applicant's expense.
8. All horses entering the premises must be accompanied by a health certificate issued within the past 10 days and a negative Coggins test certificate issued within the past 12 months prior to September 13, 2014. It is strongly recommended that all horses be vaccinated against EHV-1 and strangles before entering the premises. CPHC reserves the right to require EHV-1 vaccination as a condition of stable access. Additionally, Applicant acknowledges that the MRC veterinary staff and CPHC have the authority to mandate vaccines based on outbreaks or pandemics.

### **Code of Conduct**

9. CPHC requires its participants to adhere to its anti-slaughter policy. Any owner or trainer stabled at CPHC who knowingly, or without conducting proper due diligence, sells a horse for slaughter will have his/her stalls permanently revoked.

### **Workers' Compensation**

10. Applicant must have on file with the MRC a valid Workman's Compensation Insurance certificate. Failure to do so will result in the removal of Applicant's horses from CPHC property.

### **Investigative Release**

11. Applicant understands that an investigative report may be made whereby information is obtained through personal interviews with third parties. This inquiry may include information as to the Applicant's character, general representation, personal characteristics and mode of living. The Applicant has the right to make written requests within a reasonable period of time for a complete and accurate disclosure of additional information concerning the nature and scope of the investigation.
12. Applicant acknowledges that being granted stall space for his/her horses is a privilege. Applicant also acknowledges that stall space is allocated for those horses that are intended to race at CPHC during the 2014 meet. Participation of horses during the 2014 meet will be reviewed and may positively or negatively impact Applicant's stall allocations during future CPHC race meets.

### **CPHC Release**

13. Applicant agrees that neither CPHC, its directors, employees or agents shall be liable for any loss, damage, death or injury of any kind to Applicant or to Applicant's employees, agents, invitees, exercise riders, jockeys or any member of their respective families, property or animals, regardless of whether such injury, loss death or damage is caused by a condition of the facilities at CPHC and/or any negligent act or omission of CPHC, its officers, employees and agents from any other cause. Applicant hereto specifically and knowingly assumes all risks of such injury, loss, death or damage, fully and completely.
14. CPHC may broadcast by television, radio, internet or other media transmission now known or hereafter disclosed, or authorize or license the aforementioned media of any and all horseracing activities on the CPHC premises. CPHC hereby reserves all television, radio, internet and still photography rights with respect to any horse racing activity on the premises provided however that nothing contained herein is intended to affect those rights governed by the Interstate Horse Racing Act of 1978.

**This stall agreement is not considered a valid application unless signed and dated below. No stall applications will be accepted without a signature.**
