Shakopee, MN -- Moralist defended his title by winning the \$35,000 Honor The Hero Turf Express on Monday at Canterbury Park for the second time. The 5-year-old thoroughbred is owned by Miracle Logistics Inc. of Lakeville, MN and trained by Tammy Domenosky. Moralist raced behind a pace battle in the early stages and then squeezed through on the rail as he rounded the turn for home, winning by <sup>3</sup>/<sub>4</sub> of a length. Second was Bullet From Abroad and third was Haraldo.

"It was about a 90% shot of getting through," winning jockey Ry Eikleberry said. "I figured if the horse was game then so was I." Final time for the five furlong turf race was 56.26 seconds. Moralist, the heavy favorite in the six-horse stakes, returned \$2.80 to win.

Moralist was claimed for \$10,000 in October of 2008 and has since won seven races and \$117,854 in purses. "The horse is game horse. Every time he runs he pulls through," Domenosky said.

Moonlight Masquerade won the \$16,500 Minnesota Stallion Breeders and NCQHRA Derby, covering the 400 yards in 20.14 seconds under rider Scott Stevens. The 3-year-old Quarter Horse filly is owned and trained by Amber Blair. She returned \$10 to win. The Memorial Day attendance was 8,893.
