Players must place all wagers personally. No person shall directly or indirectly act as an intermediary, transmitter or agent in placing wagers for the Player, unless authorized by Canterbury Park and for good reason shown.

Any races offered through the tote system during the contest timeframe can be used as contest races. Official payouts determined through the tote system will be used. There are no caps on the payouts for tournament purposes.

If a scratch occurs involving a contest wager, the entrant may 1) make a replacement wager or 2) allow the resulting refund to serve as one of the 10 required wagers and the resulting \$4 refund will be added to the final bankroll.

A player may not make more than one contest wager on any given race. Players with multiple entries may wager on the same horse or same race using separate entries.

All contest wagers will be placed using the account wagering cards at SAM machines only.

Any entrant found to have wagered on more or fewer than 10 races, more than \$2 Win/Place, more than one horse per race, or to have wagered more than the \$40 bankroll will be immediately disqualified from the tournament. All contest wagers will be tracked by Canterbury staff. A wager by wager history of each entrant's betting record will be kept by Canterbury staff. Canterbury Park contest officials will then verify that no additional wagers have been made before declaring the winner. All ten contest wagers must be placed.

When the account card is placed in a SAM it will show the player's current bankroll. No player may wager more than the allowed \$2 Win/Place and must wager on a total of 10 races.

It is suggested that players make their wagers early to avoid being shut out of the race. It is the player's responsibility to make wagers in a timely fashion.
