ENTRIES AND WORKOUTS

Entries and workout information will be posted daily on our website on the Racing Info Page.

SEATING

A very limited number of Restaurant and Club House tables are set aside daily, by reservation only, for horsemen running that day. Preference is given to stakes participants, then horsemen with horses running that day, then other horsemen. Reservations must be made after your horse is entered and has drawn into the race. For reservations, please call Tiffany Leggett at 952.496.6407 between 12:00 PM and 4:00 PM Wednesday through Sunday. Advanced seating may be purchased for \$20 per table of six by calling the Canterbury Ticket Office at 952.445.7224. There is free outdoor seating in Section 7 for all horsemen.

COMPLIMENTARY BOX SEATS

Box Seats on the Mezzanine Level are available to licensed horsemen when your horse is running, subject to availability. Check in at the Box Seat area and present your MRC License—no reservations are needed.

COMPLIMENTARY WINNING DVDS

One complimentary DVD will be given by Canterbury Park to the winner of each race. Please pick up your DVD in the Horsemen's Bookkeeper's Office at the end of each race day. Additional copies may be ordered through the Horsemen's Bookkeeper for a fee.

COMPLIMENTARY RACE PROGRAMS

Daily Race Programs are available in the Racing Office.

ADMISSION/SPOUSE PASSES

Horsemen and spouses receive free admission to Canterbury Park on live racing days. Spouses must have an MVP card set up in advance and can do so by visiting any information booth at Canterbury Park. Visit the Horsemen's Bookkeeper office to get you or your spouse set up with free admission. Horsemen must have their MRC badge. In addition, admission passes and discounts are available on a limited basis.

VIDEO REPLAY KIOSK

The kiosk is located next to the Grandstand Information Booth on Track Level.

AREA HOTELS

The hotels listed in the condition book offer a horsemen's discount with the presentation of your MRC License. Additional hotel options can be found on our website under the "Visit" page.
