Breaks after level 4 and 8, and at Tournament Director discretion.

Rules:

- When a player wins the main pot they are awarded the button for the next hand.
- If the main pot is chopped the button will be awarded to the pot winner in worst position in relation to the button's current position.
- There will always be a small blind and a big blind to the left of the button.
- The blinds will always be adjusted to the position of the button. This may result in the same players being the blinds multiple hands in a row.
- When combining or balancing tables every player will be dealt in immediately and have any blind obligation based on their position to the button. This may result in players being the blind multiple hands in a row.
- In heads-up play the button is also the small blind.
- All other TDA rules will apply.

Players must have an MVP Rewards card to register and play in any tournament.

5:30 PM start: Registration opens at 4 PM. Late registration and unlimited re-entry available through the first 4 levels (first break).
