Beginning June 12, 2025, \$10 Super Satellite contests will be held each Thursday through Saturday through Aug. 9 that will qualify players for a \$100 entry fee to the Canterbury Park Satellite on Saturday, Aug. 16. The Aug. 16 Satellite will qualify players to the Aug. 23-24 Dog Days Tournament and the Sept. 20 XpressBet NHC Qualifier.

Players will be allowed to enter three \$10 Super Satellite contests each week choosing from Thursday, Friday, and/or Saturday with the highest individual score from each three-day contest period determining the winner. Three selected tracks (eight races at each track) are offered each Thursday, Friday, and/or Saturday. Players can enter three contests in one day (no more than one entry per track per day) if they so choose but total entries for a contest week cannot exceed three. Each entry is \$10 per contest track with a limit of three per week.

Each week, one winner for every 10 entries will receive a \$100 entry to the Aug. 16 Satellite Contest. The Super Satellite contest format requires entrants to select one horse in each of the eight contest races and submit the selections before entry deadline. Points will be awarded for selections based on the official mutuel payoffs based on a mythical \$20 across-the-board wager. Entrants must be 18 years of age or older to enter Super Satellites. Prizes in Final Contest may require entrants to be 21 or older. The highest score from each three-day contest period will determine the winner. For example, Player A may have the highest score of 800 on Thursday of the contest period but would not beat Player B who scores 900 points on the Saturday of the same contest period.

Prize Structure: The contest winner(s) will receive a \$100 entry fee to the Canterbury Park Satellite Contest on Saturday, Aug. 16, 2025. Extra entry fees from each period will be divided with 60% being paid to the player with the highest score that did not win a Satellite entry each period; 40% will be aggregated over the entire contest span and will be paid as a bonus to the player that scores the highest individual contest score over the entire contest span. For example, with 11 entries there will be one winner receiving a \$100 entry; \$6 will be paid to the second highest scorer and \$4 will be added to the bonus pool. Twenty-one entries would result in two \$100 entry winners with \$6 going to the third highest scorer and \$4 to the bonus pool etc.

Awarding Points: Points will be awarded based on the official outcome of the race card at the contest track. Players will be awarded the amount of points that equals the total dollar amount of the official mutuel return on their selections based on a mythical \$20 across-the-board wager. For example: If a player's selection finishes first and the official mutuel results are as follows: \$6.00 to win; \$4.00 to place; \$2.40 to show, the player will receive 124 points. If a player's selection finishes second and returns \$15.00 to place; and \$8.80 to show, the player would receive 238 points.

The maximum point payoffs per race for win, place, and show will be capped in the following manner. The maximum points possible for win will be 600 points, for place 400 points; and for show 200 points.

The contest winner will be the player accumulating the most points in an individual contest over the three-day contest period.

Handicapper of the Year Points: The player with the highest score each contest period will receive one Handicapper of the Year point. The player with the highest individual contest score from the entire contest span will receive one Handicapper of the Year point.
