

Beginning January 8, 2026, \$10 Super Satellite contests will be held each week (Thursday through Saturday) through March 14 that will qualify players for a \$100 entry fee to the Spring Tune-Up Satellite Contest on Saturday, March 21, 2026 which will award entry to the Dog Days of Summer Handicapping Contest and the June XpressBet BCBC qualifier online contest.

Players will be allowed to play in three \$10 Super Satellite contests each week choosing from Thursday, Friday, and/or Saturday with the highest individual score from each three-day contest period determining the winner. Three selected tracks (eight races at each track) are offered each Thursday, Friday, and/or Saturday. Players can enter three contests in one day (no more than one entry per track per day) if they so choose but total entries for a contest week cannot exceed three. Each entry is \$10 per contest track with a limit of three per week.

Each week, one winner for every 10 entries will receive a \$100 entry to the March 21 Spring Tune-Up Satellite. The Super Satellite contest format requires entrants to select one horse in each of the eight contest races and submit the selections before entry deadline. Points will be awarded for selections based on the official mutuel payoffs based on a mythical \$20 across-the-board wager. Entrants must be 21 years of age or older.

The highest score from each three-day contest period will determine the winner

Official entry forms will be available at the third level Information Center each contest day. Entrants must complete the entry form and submit it along with the \$10 fee prior to the entry deadline.

Players pick one horse in each race. Players will be awarded the amount of points that equals the total dollar amount of the official mutuel return on their selections based on a mythical \$20 across-the-board wager. No changes will be allowed once entries have been submitted. Players can enter up to three times per contest week.

Points will be awarded based on the official outcome of the race card at the contest track. Players will be awarded the amount of points that equals the total dollar amount of the official mutuel return on their selections based on a mythical \$20 across-the-board wager. For example: If a player's selection finishes first and the official mutuel results are as follows: \$6.00 to win; \$4.00 to place; \$2.40 to show, the player will receive 124 points. If a player's selection finishes second and returns \$15.00 to place; and \$8.80 to show, the player would receive 238 points.

The maximum point payoffs per race for win, place, and show will be capped in the following manner. The maximum points possible for win will be 600 points, for place 400 points; and for show 200 points. The contest winner will be the player accumulating the most points in an individual contest over the three-day contest period. The contest winner will be the player accumulating the most points in an individual contest over the three-day contest period.
