INCIDENTS/INQUIRIES/OBJECTIONS:

HIWU Investigator Shaun Richards came to the Stewards stand this afternoon, to brief the Board concerning an ongoing Investigation that his Agency was conducting. He stated that he had taken several corroborating statements from many sources alleging that Trainer Jose Silva, Jr had been pre-race medicating his horses on a regular basis throughout the race meet. Following that briefing, the Board of Stewards was compelled to scratch the horses, entered by Trainer Silva, in the Best Interest of Racing. More to Follow....
